MEDIA FACT SHEET

BUILDEX Vancouver is Western Canada's largest conference and exhibition for the interior design, architecture, property management, construction, real estate and renovation industries. Recognized as THE premier conference and trade show in Western Canada for the built environment, BUILDEX has a solid presence in three markets: Vancouver, Edmonton and Calgary.

This 27th edition of BUILDEX Vancouver brings together:

- Over 600 trade show exhibits;
- More than 120 professional speakers and 70 educational seminars;
- More than 14,000 attendees;
- Products, materials, services and technologies from more than a hundred different categories;
- Pavilions featuring the renovation, construction, design and property management industries.

2016 BUILDEX Vancouver highlights:

- The Hays On-Site Job Board with career opportunities for the construction, property management and design industries;
- Roofing Zone and World of Concrete Live Demonstration Areas;
- Pavilions by BC Wood, PAMA Networking Area, Canadian Home Builder's Association of BC and the Canadian Passive House Institute
- Keynote Panel discussions on Sustainable Design, Ecological Urban Architecture, and The Canadian Construction Industry
- Update on the BC Building Code, guide to developing RFPs and Proposals, Interior Design seminar stream and Property Management seminar stream
